NCSS-PIER Conference Registration: Please register online at the NCSS website <http://www.socialstudies.org/>. Click on "professional development" and "NCSS Summer Workshops" to get to "Innovative Approaches to the Teaching of World History." At this page, you can register online for both the program and for Yale housing and parking.

Housing Information: The Institute directors encourage all participants, even in-state participants, to stay in residence at Yale or local hotel because the Institutes are intensive, with daily reading assignments and evening activities. The residential experience and the camaraderie it fosters deepen the total Institute experience.

On-campus Housing: Participants wishing to stay on campus should contact Yale Conference Services directly to make their room reservations (and parking arrangements, if needed) at <https://www.regonline.com/pier>. Payment must be made using a credit card.

Hotel Choices in New Haven: Participants wishing to stay in a hotel should contact the hotel directly. For information on area hotels, please visit www.yale.edu/macmillan/pier/institutes

Parking Information: Participants wishing to park on campus should contact Yale Conference Services directly to make parking arrangements at <https://www.regonline.com/pier>. Payment must be made using a credit card.

CEUs: All institutes are designed in accordance with nationwide Continuing Education Units standards. Yale is an authorized CEU provider (no. 716). The number of CEUs awarded will vary by institute. Please contact the appropriate PIER Director for information.

RETURN the application with a non-refundable check for \$30 payable to "Yale University" to the address in the header.
